

Way of Life Ministry
"Saving One Soul at a Time"

Will your church sponsor a bed?

A faith-based sober living home in Hamilton Township, NJ for adults in recovery from alcohol and drug addiction and for military veterans.

Many people leave detox, treatment, the hospital, or jail with nowhere safe to go. A sponsored bed lets someone move in on the day they need it, before a first paycheck or benefits arrive. For many residents, a clean, furnished home with a real bed and fresh sheets is the first sign that their new life has begun.

Your congregation can adopt a bed and walk alongside the people who sleep in it.
